Privacy Policy

Fat Uncle Stuart Ltd complies with the Data Protection Act UK 1998 in all use of personal data. In general, Fat Uncle Stuart Ltd does not collect, store, use or disclose personally identifying information except in very specific instances, such as, for example, when you purchase from The Site. Whenever we collect such information, you will have a choice regarding whether to provide it, how it will be used, and to whom it will be disclosed. The instances in which Fat Uncle Stuart Ltd does collect and use information are specifically described in this Privacy Policy.

Fat Uncle Stuart Ltd will collect personally identifiable information ('Personal Data') (e.g. your name, address, telephone number or email address) through our website when provided voluntarily and during purchases. Fat Uncle Stuart Ltd offers users who have voluntarily provided Personal Data to us the opportunity to remove, review or update the information provided and correct any errors.

When you do provide us with personal data, we may use that information in the following ways unless stated otherwise:

- We may store and process that information to better understand the type of individuals that visit our website.
- We may provide 3rd parties with this information in aggregate form.
- We may share that information with third parties in the normal course of business.
- We may use that information in the normal course of business.
- We may use that information to contact you regarding information and products that may be of interest to you or to advise of changes to our terms of business.

Use of cookies

Fat Uncle Stuart Ltd respects your privacy and therefore we will only use cookies where your browser enables us to use them. We use cookies to help you navigate through our site and to improve security. If you do not want one of our cookies on your site, please ensure your browser is configured to refuse to accept them.

Cookies are small pieces of information your browser transfers to your computer's hard disk, hence saving a record of your activities. Cookies tell us how many people visit The Site, how many people return to The Site, and how often those people return to The Site. Although cookies identify a user's computer, they do not contain personally identifiable information. The use of cookies is an industry standard, however the site can still be used with cookies turned off.

Web Server Logs

We collect aggregate statistics about our customer and visitor base, including cookies (see above) and web server logs. Web server logs tell which pages are more and less popular on The Site and where people were before they came to The Site. We use these statistics to monitor traffic so we can effectively handle site capacity. The statistics also help us determine which parts of the site are most popular. With this information, we can continually improve The Site to better meet the needs of our clients and prospective clients.

Amendments to our Terms, Conditions and Privacy Policy

We reserve the right to amend our terms and conditions and privacy policy at any time. The amendments will be effective from the date they are posted on our website. We reserve the right to amend or modify the Privacy Policy Statement in response to changes in applicable data protection and privacy legislation. If you continue to use The Site you hereby consent to the policies as described above.
